If any shot finishes exactly on the pin, reroll 3 dice and if result is 111 or 666 the shot will be holed out.

If any shot lands on or rolls over the pin, reroll 3 dice and if result is 666 the shot will be holed out.

If a shot has been played from a yellow or orange sand trap, and a similarly colored result appears to the right of the flight box; use the flight distance listed in the colored box.

If the result is "Long Drive", roll one die and refer to the yellow chart for the distance of the shot. Use the original result number for any directional adjustment.

If the shot is played from a poor lie in the rough consult the Poor Lie column for flight distance (see options)

Deduct 5 yds roll from any iron shot taken from the fairway or tee that lands on the green.  
If any shot finishes exactly on the pin, reroll 3 dice and if result is 111 or 666 the shot will be holed out.  
If any shot lands on or rolls over the pin, reroll 3 dice and if result is 666 the shot will be holed out.  
If the shot has been played from a yellow or orange sand trap, and a similarly colored result appears to the right of the flight box; use the flight distance listed in the colored box.  
If the shot is played from a poor lie in the rough consult the Poor Lie column for flight distance

Deduct 5 yds roll from any iron shot taken from the fairway or tee that lands on the green.

If any shot finishes exactly on the pin, reroll 3 dice and if result is 111 or 666 the shot will be holed out.

If any shot lands on or rolls over the pin, reroll 3 dice and if result is 666 the shot will be holed out.

If the shot has been played from a yellow or orange sand trap, and a similarly colored result appears to the right of the flight box; use the flight distance listed in the colored box.

If the shot is played from a poor lie in the rough consult the Poor Lie column for flight distance

If any shot lands on or rolls over the pin, reroll 3 dice and if result is 666 the shot will be holed out.

If the shot has been played from a yellow or orange sand trap, and a similarly colored result appears to the right of the flight box; use the flight distance listed in the colored box.

If the shot is played from a poor lie in the rough consult the Poor Lie column for flight distance

Deduct 5 yds roll from any iron shot taken from the fairway or tee that lands on the green.  
 If any shot finishes exactly on the pin, reroll 3 dice and if result is 111 or 666 the shot will be holed out.  
 If any shot lands on or rolls over the pin, reroll 3 dice and if result is 666 the shot will be holed out.  
 If the shot has been played from a yellow or orange sand trap, and a similarly colored result appears to the right of the flight box; use the flight distance listed in the colored box.  
 If the shot is played from a poor lie in the rough consult the Poor Lie column for flight distance

Deduct 5 yds roll from any iron shot taken from the fairway or tee that lands on the green.

If any shot finishes exactly on the pin, reroll 3 dice and if result is 111 or 666 the shot will be holed out.

If any shot lands on or rolls over the pin, reroll 3 dice and if result is 666 the shot will be holed out.

If the shot has been played from a yellow or orange sand trap, and a similarly colored result appears to the right of the flight box; use the flight distance listed in the colored box.

If the shot is played from a poor lie in the rough consult the Poor Lie column for flight distance

Deduct 5 yds roll from any iron shot taken from the fairway or tee that lands on the green.

If any shot finishes exactly on the pin, reroll 3 dice and if result is 111 or 666 the shot will be holed out.

If any shot lands on or rolls over the pin, reroll 3 dice and if result is 666 the shot will be holed out.

If the shot has been played from a yellow or orange sand trap, and a similarly colored result appears to the right of the flight box; use the flight distance listed in the colored box.

If the shot is played from a poor lie in the rough consult the Poor Lie column for flight distance

Deduct 5 yds roll from any iron shot taken from the fairway or tee that lands on the green.

If any shot finishes exactly on the pin, reroll 3 dice and if result is 111 or 666 the shot will be holed out.

If any shot lands on or rolls over the pin, reroll 3 dice and if result is 666 the shot will be holed out.

If the shot has been played from a yellow or orange sand trap, and a similarly colored result appears to the right of the flight box; use the flight distance listed in the colored box.

If the shot is played from a poor lie in the rough consult the Poor Lie column for flight distance
